Forest Ecology Research in the Schoolyard **Summer Institute for Teachers 2012** **Wednesday, July 25th**

The Harvard Forest offers a Forest Ecology training institute for teachers of grades 4-12. Learn from professional Ecologists how to implement field studies with your students, right in your schoolyard.

Teachers from all districts are encouraged to participate in this orientation to our year long Schoolyard Ecology program which includes two optional School-year Seminars in addition to the Summer Institute. PDPs awarded to all participants.

3 Graduate Credits Available for multiple sessions, through Fitchburg State University.

To register: Contact Pamela Snow at psnow@fas.harvard.edu or call (978)756-6146

For more information on Harvard Forest research and education opportunities, refer to our website: <http://harvardforest.fas.harvard.edu/education/k-12.html>
