

# Harvard Forest Recreation Trail Map Overview

-  Pedestrian Use Only
-  Horses and Bikes Allowed
-  Public Footpath
-  Public Road
-  forest gates (gate number)
-  Harvard Forest
-  No Hunting

Established in 1907, the Harvard Forest is Harvard University's 4000 acre outdoor laboratory and classroom.

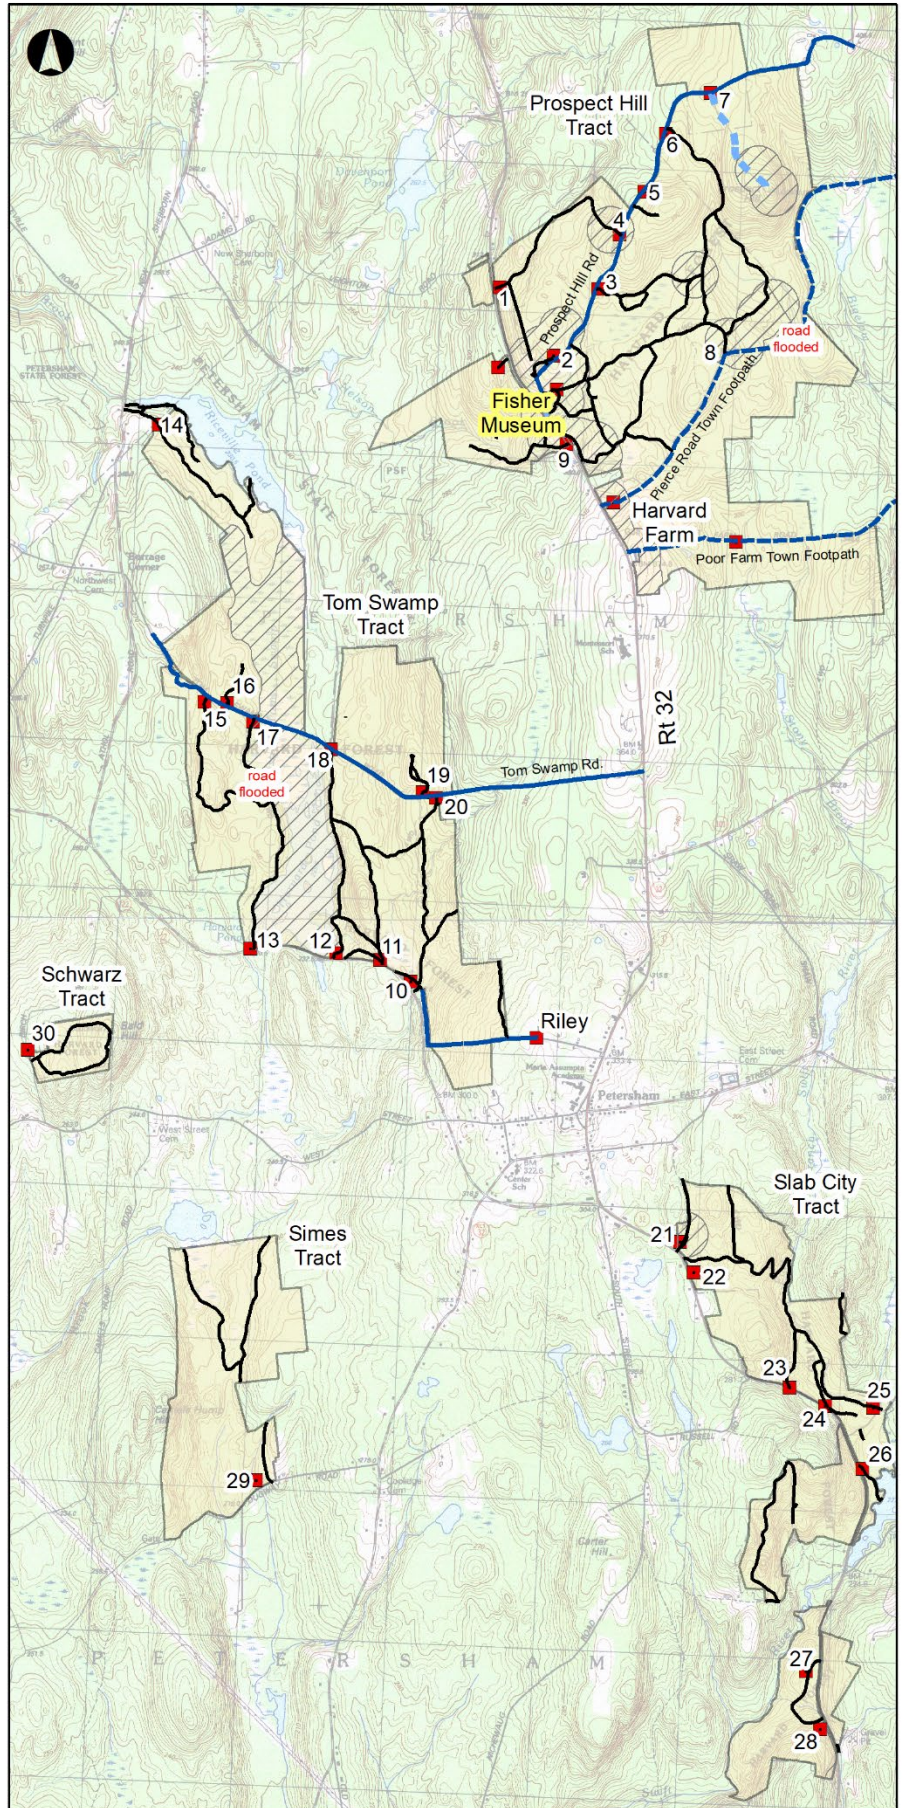

Except where designated on the map or restricted by Massachusetts law, hunting is allowed. Please wear blaze orange during deer hunting season.

Most Harvard Forest roads and trails are pedestrian use only, to protect the research site. Horses and mountain bikes are generally allowed on town roads and footpaths, but please check with the Town of Petersham.
